Dear Business Owner/Partner,

Brighton Park Neighborhood Council (BPNC) and The Mikey O Comedy Show will present its 5th Annual Comedy Cantina on Friday, May 12, 2017. The event will take place at IUOE Local 399, 2260 South Grove Street, Chicago, IL. We would like to invite your business to partner with us by becoming a sponsor. Sponsorship packages are available with attractive incentives including VIP seating and the ability to market products and services during the event. View a breakdown of the sponsorship levels and benefits on page 2.

BPNC expects over 800 attendees this year. BPNC's Comedy Show is a fundraising effort focused on raising funds to support the agency's comprehensive youth services that include: youth employment, afterschool academic tutoring, college and career planning, violence prevention programming, drama and music, health and wellness, Science Technology Engineering Math (STEM) programs, 8th – 9th grade transition, and other enriching supports for students. All of BPNC's services are free and aim to develop students' academic and personal aspirations. We look forward to our continued collaboration and hope we can count on your support of our youth in Brighton Park.

BPNC is a community-based, nonprofit organization serving a low-income working class neighborhood on Chicago's southwest side. BPNC's mission is to create safer communities, improve the learning environment at public schools, preserve affordable housing, provide a voice for youth, protect immigrants' rights, promote gender equity, and end all forms of violence. Founded in 1997, BPNC unites individuals and neighborhood institutions to organize campaigns to win essential resources for one of Chicago's most underserved communities, improve public policy and address the root causes of poverty and inequality.
