More than forty coalition members strong, the Brighton Park Neighborhood Network (BPNN) seeks to build the capacity of our community to dramatically improve outcomes for every resident by providing comprehensive support in education, health, and employment. This work is led by community members, social service agencies, and neighborhood schools to create a safe and thriving neighborhood for all.

**EDUCATION**

**SUPPORTING ACADEMIC SUCCESS AMONG BRIGHTON PARK STUDENTS**

Through the collective effort of coalition members, our Freshman on Track rate has increased 12%.

**HEALTH**

**LEVERAGING PARTNERSHIPS TO PROMOTE PHYSICAL AND EMOTIONAL WELLNESS**

We have seen an increase in the percentage of Brighton Park residents who rate their health as good, very good, or excellent.

**FINANCIAL STABILITY**

**CONNECTING COMMUNITY MEMBERS TO RESOURCES THAT ENHANCE ECONOMIC WELL-BEING**

We provide comprehensive case management to 100 families at risk of homelessness each year. On average, 96% obtain safe and stable housing.

**PUBLIC SAFETY**

**BUILDING A STRONG NETWORK OF SOCIAL AND EMOTIONAL SUPPORTS TO PREVENT VIOLENCE**

Of the gang-affected youth who we have served, 75% had a reduction in risk factors or an increase in protective factors.

**Our Collective Impact**

Between the years 2015 and 2020, BPNN partners have:

- Offered after-school enrichment and academic support programming to an average of 1,600 Brighton Park students each year, of whom an average of 64% demonstrated improved academic achievement.
- Facilitated access to health promoting resources and opportunities, with 550 community members attending workshops each year, almost 500 (489) new enrollees in insurance coverage, and almost 100 uninsured adults taking part in community-based mental health counseling services.
- Distributed nearly $2 million to over 850 families through COVID-19 emergency assistance efforts in 2020, thus offering critical financial support in the midst of a global health crisis.
- Connected a total of 470 youth with summer employment, with a successful completion rate of almost 92%.
